

Author's Warranty and Copyright Transfer

This form must be signed and completed before Sloan-C will publish the work.

The author(s) hereby warrant that the work entitled

which has been submitted to the Sloan-C for publication is original and has not been submitted for publication or published elsewhere. Furthermore author(s) warrant that written permission has been obtained from third-party copyright holders to republish all or part of their manuscripts, translations, graphics, software, etc. that are included in the above noted work.

The author(s), in consideration of the publication of the work, also hereby transfer (for U.S. Government employees: to the extent transferable) all copyright title and content, without limitation, of said work to Sloan-C, effective if and when the work is accepted for publication in electronic and/or print formats.

Author's Warranty and Copyright Transfer *(continued)*

Author's Retained Rights:

1. The author retains proprietary rights to any process or procedure described in the article.
2. The author may reproduce the work for their own personal use, including derivative works and their own classroom use, provided that the source and Sloan-C copyright notice are noted, and provided that those copies are not offered commercially or for sale.
3. The author retains the right to publish a different or extended version of the work as long as it is sufficiently different as to be considered a new work.
4. The author retains the right to present the work at a meeting or conference and to hand copies of the work to the attendees.
5. While the author retains the rights to re-use all or portions of the work, the rights of the author do not extend to granting third-party requests for reprinting, republishing or other forms of re-use. Such requests should be directed to the Sloan-C Publications Department.
